Student Social and Emotional Development

Student social and emotional development shall be incorporated in the District's educational program and shall be consistent with the social and emotional development standards to be contained in the Illinois Learning Standards. The objectives for addressing the needs of students for social and emotional development through educational programs are to:

1. Enhance students' school readiness, academic success, and use of good citizenship skills;
2. Foster a safe, supportive learning environment where students feel respected and valued;
3. Teach social and emotional skills; and
4. Partner with families and the community to promote students' social and emotional development;
