School District Governance

The District is governed by a Board of Education consisting of 7 members. The Board's powers and duties include the broad authority to adopt and enforce all necessary policies for the management and government of the public schools.

Official action by School Board members must occur at a duly called and legally conducted meeting. "Meeting" is defined as any gathering of the majority of a quorum of four (4) School Board members for the purpose of discussing School District business.

School Board members, as individuals, have no authority over school affairs, except as provided by law or as authorized by the Board.
