Public Participation at School Board Meetings and Petitions to the Board

At each regular and special open meeting, the members of the public and District employees may comment on or ask questions of the Board, subject to reasonable constraints.

The individuals appearing before the Board are expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.
2. Identify oneself and be brief. Ordinarily, such comments shall be limited to 5 minutes. In unusual circumstances, and when the person has given advance notice of the need to speak for a longer period of time, such person may be allowed to speak for more than 5 minutes.
3. The Board President may shorten or lengthen a person's opportunity to speak. The President may also deny the opportunity to speak to a person who has previously addressed the Board on the same subject within the past 2 months.
4. The Board President shall have the authority to determine procedural matters regarding public participation not otherwise defined in School Board policy.
5. Prior to the meeting being called to order, anyone wishing to address the Board during public participation must complete and submit a "blue card" to the Board Secretary. Only those who have submitted a request to address the Board will be permitted to speak and in the manner-order as determined by the Board President

Petitions or written correspondence to the Board shall be presented to the School Board at the next regularly scheduled Board meeting.
