Asbestos Abatement - Summer 2016

To all employees, parents, students and other building occupants:

Please be aware that starting on May 24, 2016 an asbestos abatement project shall commence at the Primary Attendance Center and Old High School Gym.

Various asbestos containing building materials will be abated by an Illinois Department of Public Health licensed asbestos abatement contractor.

All applicable state and federal rules and regulations will be followed to ensure a safe environment for all.

If you have any questions, please contact me at my office at 618-443-5331.

Respectfully,

Larry Beattie, Ed.D.
Superintendent
